PLAYER/PARENT CONTRACT
2011 - 2012 Season

We, the parents/guardians of (player) _____ have read the information concerning the policies and practices of the Mizuno Cincy Classics Volleyball Club. We agree, that having been selected to a team, to permit our daughter to join the club for the 2012 season.

We understand that we are responsible for all fees due by the player as well as her transportation to practices and game play. This includes the entire fee of \$2,195.00 for National teams and \$1,060.00 for Regional teams.

We have read the material provided and understand the time commitment involved in practice and competition. We have reviewed the fee schedule on the cover sheet in this packet and understand that should our daughter discontinue playing, no matter what the reason, the parent/player is still financially responsible and must pay **all fees in full regardless of the duration of participation.** This is due to the fact that membership of the club is limited and others were denied a position by your acceptance of a position in the Mizuno Cincy Classics Volleyball Club. This also includes a third payment if necessary for National teams.

Understanding the stipulations and having discussed these with our child, we agree to support her participation in the club. We understand that once registered with and having competed with the club, the player will be unable to transfer clubs and compete in the USA regional and Volleyball Championships during the 2012 season.

We the parent/guardian of player _____ release the Mizuno Cincy Classics Volleyball Club, any and all coaches, players, and club administrators of any liabilities. This release also includes G.E. Park and their staff. We understand that injuries may occur while playing the sport of volleyball.
